STEWARD SECURITIES GROUP, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

NOTE 1: BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Steward Securities Group, LLC ("the Company") maintains its accounts on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Accounting principles followed by the Company and the methods of applying those principles which materially affect the determination of financial position, results of operations and cash flows are summarized below:

Nature of Business - The Company is located in Houston, Texas and is a limited business broker dealer that transacts in institutional fixed income securities only through an arrangement with another Broker Dealer on a fully disclosed basis. Consequently, the Company has claimed an exemption from the Securities and Exchange Commission's (SEC) Rule 15c3-3 under Section (K)(2)(ii). The Company is registered as a Broker-Dealer with the SEC, and a member of the Financial Industry Regulatory Authority (FINRA). Its principal market is the general public in the Southeastern region of Texas.

Statement Presentation - An unclassified Balance Sheet is presented in accordance with industry standards.

Cash and Cash Equivalents - Cash and cash equivalents include cash held in banks. The Company considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents. The Company had no cash equivalents at December 31, 2018.

Revenue Recognition - Commissions are recognized when the transaction settles and receivables are recorded at that time. Revenues are primarily generated from commissions on sales of fixed income securities.

Income Taxes - The Company has elected to be taxed as a Limited Liability Company, a disregarded entity, and therefore, no provision has been made for federal income tax since these taxes are the responsibility of the member. The Company is subject to the Texas Margin Tax which is a state income tax. The Company did not owe any Texas Margin Tax at December 31, 2017.

The Company believes that all tax positions will more likely than not be sustained upon examination. As of December 31, 2018, the tax years that remain subject to examination by the major tax jurisdictions under the Statute of Limitations are from the year 2013 (year of inception) forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as a tax expense in the Statement of Income.

Estimates - The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events - The Company has evaluated subsequent events through February 28, 2019, the date the financial statements were available to be issued. No subsequent events occurred, which require adjustment or disclosure to the financial statements at December 31, 2018.

STEWARD SECURITIES GROUP, LLC
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2018

NOTE 2: NET CAPITAL REQUIREMENTS

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis.

At December 31, 2018, the Company had net capital of \$26,926 and a net capital requirement of \$5,000 for the year. The Company's ratio of aggregate indebtedness to net capital was .0 to 1 at December 31, 2018. The Securities and Exchange Commission permits a ratio of aggregate indebtedness to net capital for the Company at this time of no greater than 15 to 1.

NOTE 3: CREDIT RISK

The Company's bank balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. It is the Company's practice to utilize high net worth financial institutions to minimize credit risk.

The Company is engaged in trading and brokerage activities in which counter parties primarily include broker-dealers, banks and other financial institutions. In the event counter parties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument.

NOTE 4: RECEIVABLE FROM CLEARING ORGANIZATION

The Company had an agreement with a clearing organization whereby the organization performs clearing functions for all securities transactions with customers and brokers and dealers. Related to these transactions the Company was required to maintain cash on deposit in a clearance account with the Clearing Organization in the amount of \$100,000. This clearing agreement and related cash restriction was terminated as of September 30, 2016.

The Company is currently in the process of securing an agreement with a clearing organization to perform clearing functions for all securities transactions with customers and brokers and dealers.

The Company, under the terms of the exemption claimed under SEC rule 15c3-3, will not engage in Securities transactions until a new clearing agreement is executed.

NOTE 5: GOING CONCERN

The financial statements have been prepared that the Company will continue as a going concern. The partner of the Company has invested capital and will have sufficient cash assets to be able to meet its debt as and when they are due.
